

Explore Australia's Kimberley Coast with Bill Altaffer the 2005/2006 World's Most Traveled Man

Spectacular waterfalls, towering sandstone cliffs and ancient indigenous rock art are just part of the Kimberley experience. This color rich region is home to a host of wildlife thriving in an area unreachable by land and the effects of time. Experience this remarkable, pristine locale where few have heard its name and even less have had seen its wonders.

Fares starting at \$8,190*

Price in Australian dollars
